

MyAllianz User Guide

Steps to update bank details on the MyAllianz App (for claim reimbursements, auto-guaranteed cash payments and other cash payouts)

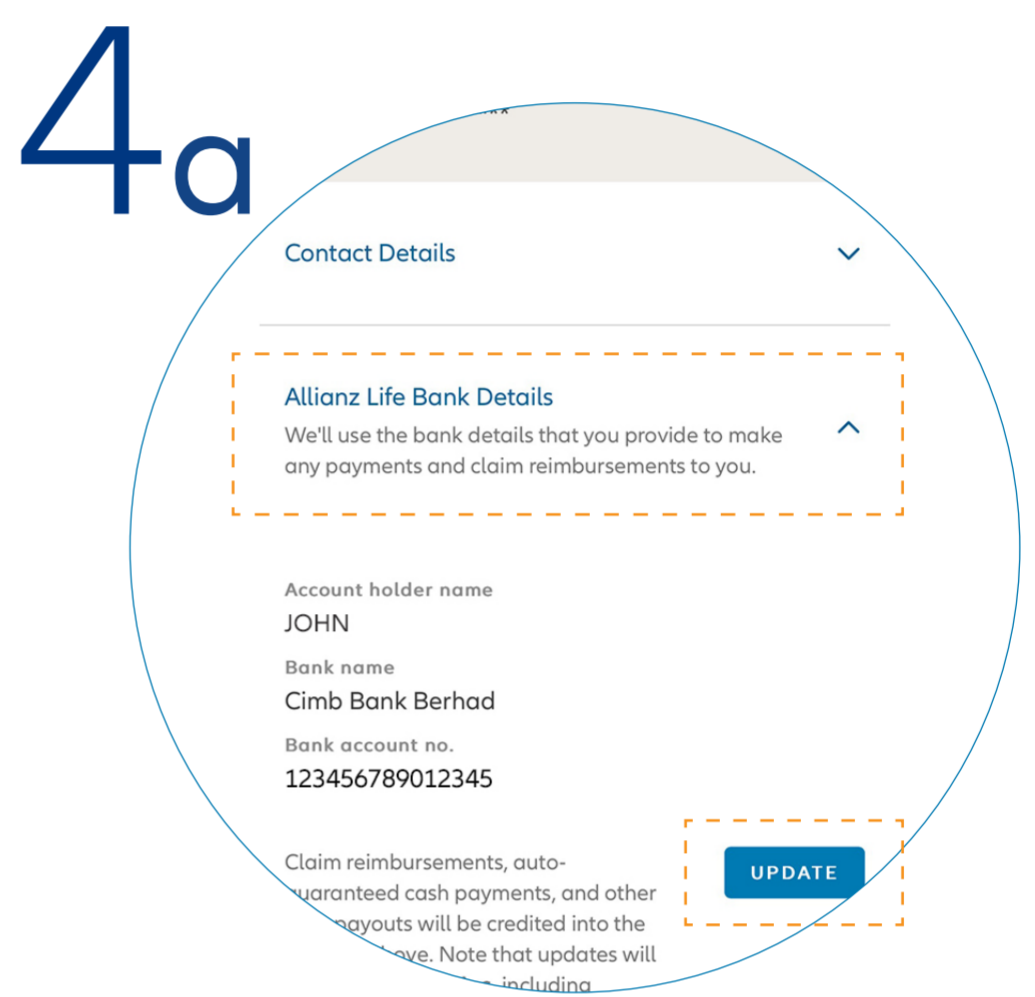

Log in to the **MyAllianz** App.

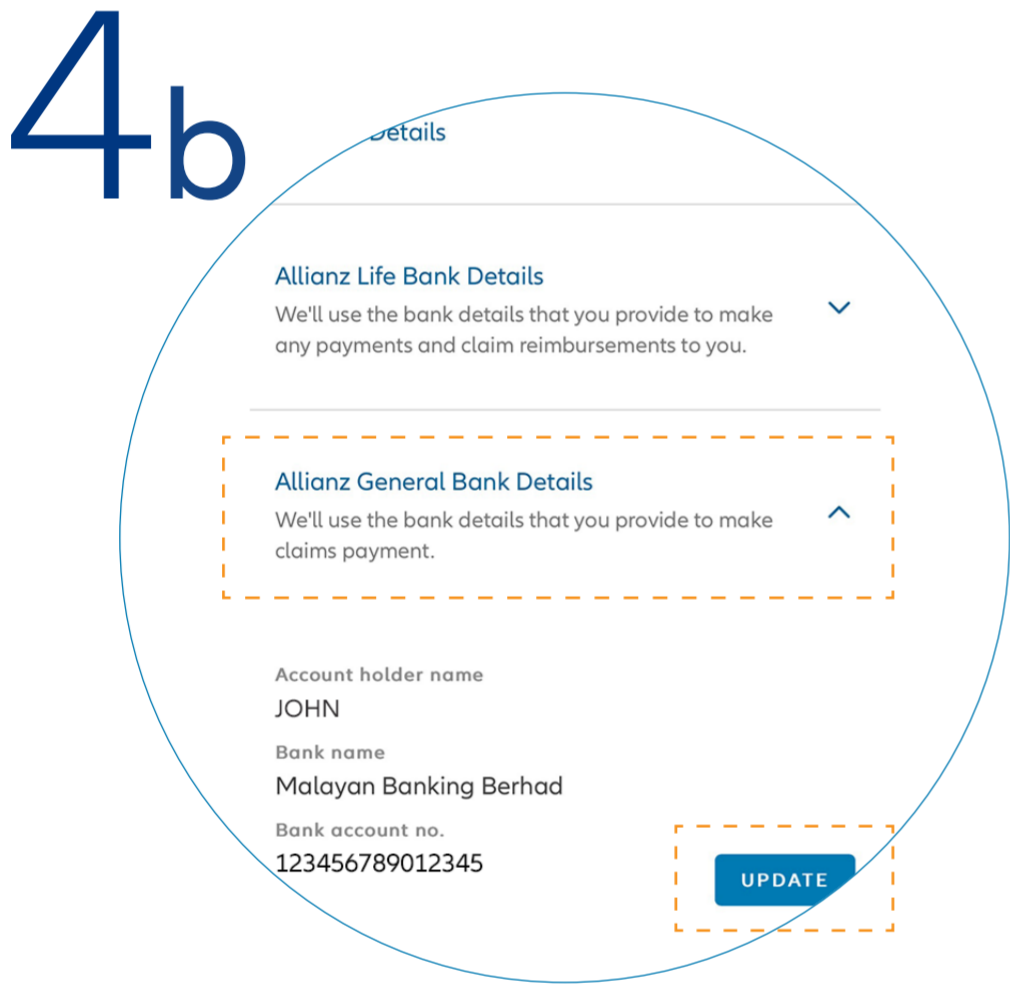

Click on the **burger bar** icon on the top left corner of the homepage.

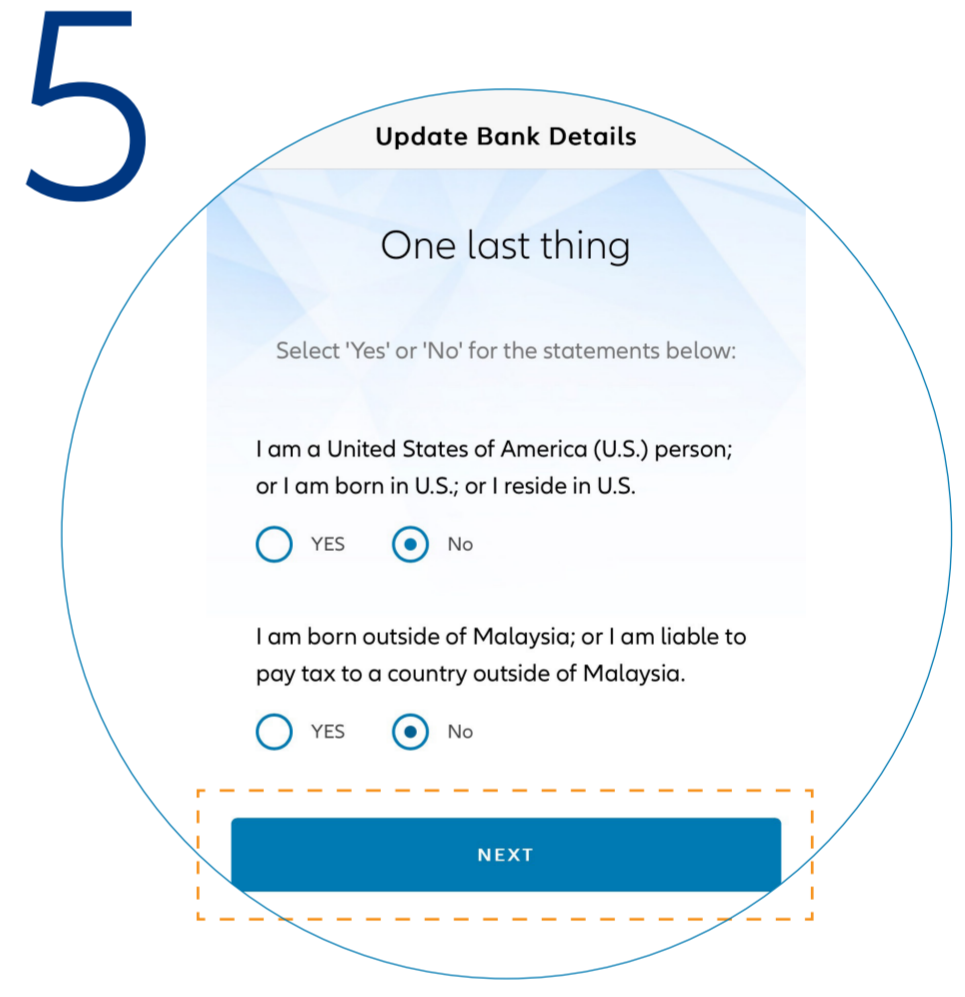

Click **"Edit Profile"**.

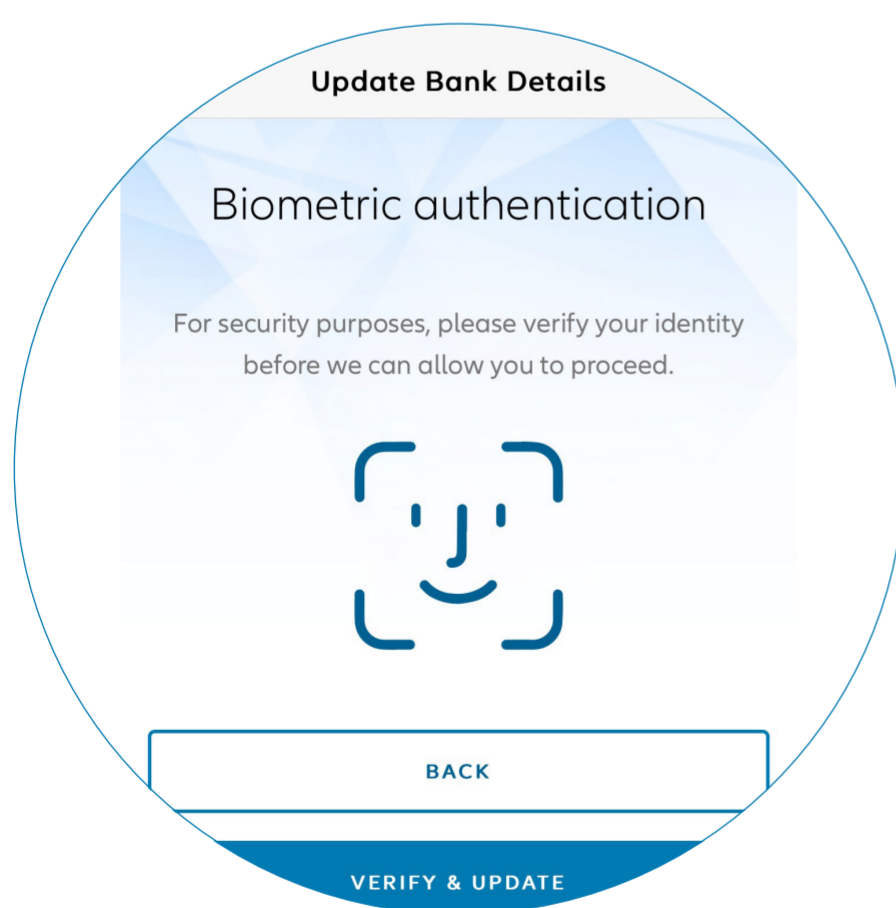

At the **"Bank Details"** section, click **"UPDATE"**.

At the **"Bank Details"** section, click **"UPDATE"**.

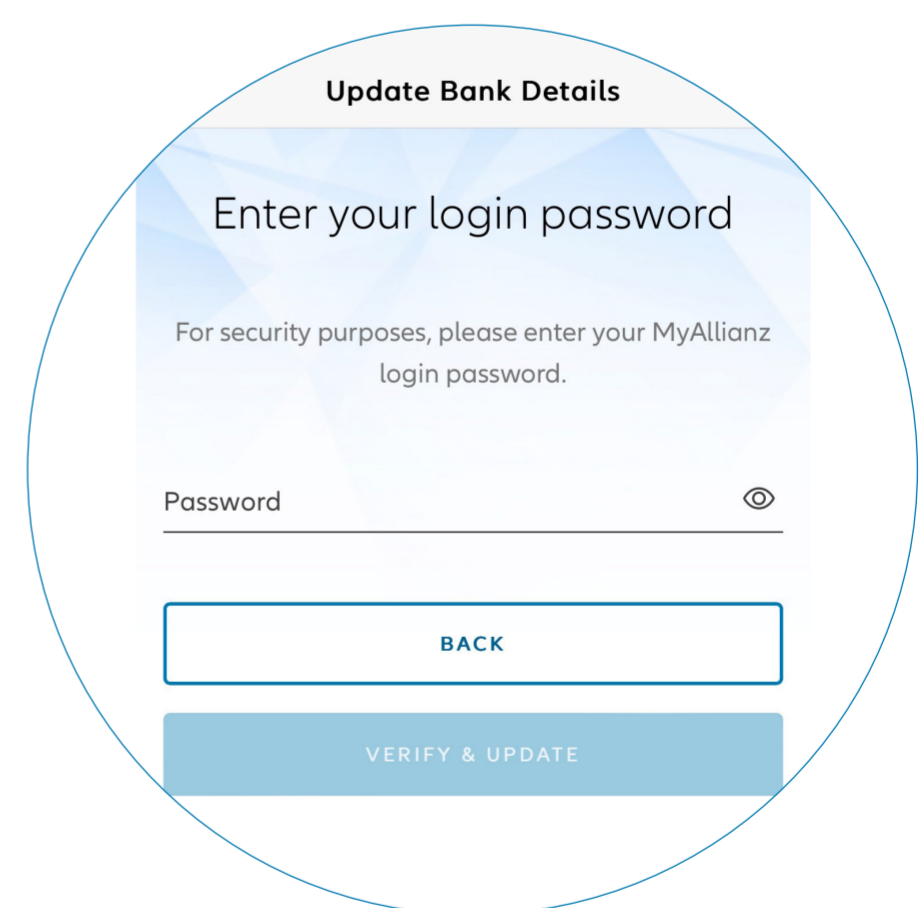

Answer the two (2) mandatory FATCA questions and click **"NEXT"**.

Biometric Authentication

6

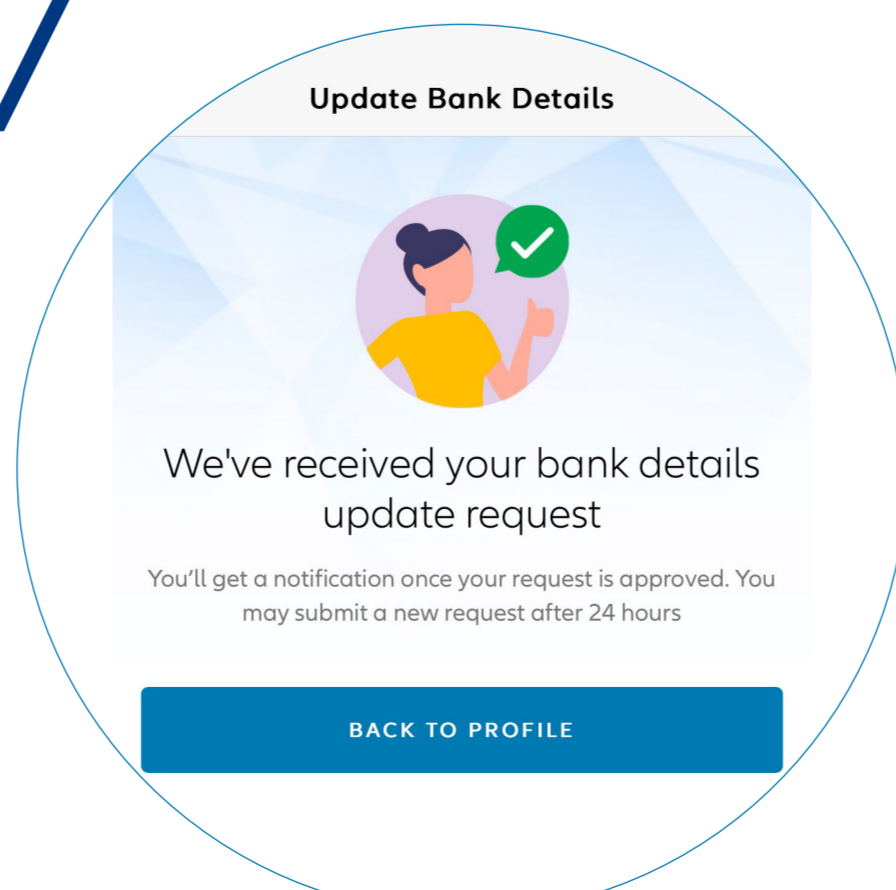

Password

Verify your identity using biometric authentication / login password. *

*If you log in with a password, you will be required to verify using biometric authentication. Conversely, if you log in using biometric authentication, you will be required to enter your login password.

7

Your request will be processed, and you'll receive a notification on the MyAllianz App once it is approved.
