To: **The Shareholders of AMB**

Dear Shareholders

PROPOSED SHAREHOLDERS' MANDATE

1. INTRODUCTION

At the 46th AGM of the Company held on 30 June 2020, the Company obtained a renewal of the mandate from its shareholders for the AMB Group to enter into recurrent related party transactions of a revenue or trading nature which are necessary for its day-to-day operations with the Related Parties.

The said mandate shall lapse at the conclusion of the forthcoming 47th AGM unless authority for its renewal is obtained from the shareholders of the Company.

On 24 February 2021, AMB announced that it proposes to seek shareholders' approval to renew the shareholders' mandate in order for AMB and its subsidiaries to continue enter into the Recurrent Related Party Transactions provided that such transactions are made at arm's length, in the ordinary course of business, on terms which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders of the Company.

The purpose of this Circular is to provide you with information on the Proposed Shareholders' Mandate and to seek your approval on the ordinary resolutions in respect of the Proposed Shareholders' Mandate to be tabled at the forthcoming 47th AGM of the Company.

2. DETAILS OF THE PROPOSED SHAREHOLDERS' MANDATE

2.1 Background

Pursuant to Paragraph 10.09 (2) of the Listing Requirements, the Company may seek mandate from its shareholders for the Recurrent Related Party Transactions subject to, inter alia, the following:-

- (a) the transactions are in the ordinary course of business and are on terms not more favourable to the related party than those generally available to the public;
- (b) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year where:-
 - (i) the consideration, value of the assets, capital outlay or costs of the Recurrent Related Party Transactions is RM1 million or more; or
 - (ii) any one of the percentage ratios as prescribed in Paragraph 10.02 (g) of the Listing Requirements of such Recurrent Related Party Transaction is 1% or more,whichever is the higher;
- (c) in a meeting to obtain shareholders' mandate:-
 - (i) a related party with any interest, direct or indirect ("interested related party"), must not vote on the resolution in respect of the Related Party Transaction;
 - (ii) an interested related party, must ensure that persons connected with him/her abstain from voting on the resolution in respect of the Related Party Transaction; and
 - (iii) where the interested related party is a person connected with, a Director or major shareholder, such person, as the case may be, must not vote on the resolution in respect of the Related Party Transaction.
- (d) the Company immediately announces to Bursa Securities when the actual value of a Recurrent Related Party Transaction entered into by the Company, exceeds the estimated value of the Recurrent Related Party Transaction disclosed in this Circular by 10% or more and must include the information as prescribed under Practice Note 12 on Recurrent Related Party Transactions.

The Proposed Shareholders' Mandate once approved by the shareholders at the forthcoming 47th AGM will take effect from the passing of the ordinary resolutions proposed at the 47th AGM and will continue to be in force until:-

- (a) the conclusion of the next AGM of the Company following the forthcoming 47th AGM at which the Proposed Shareholders' Mandate is passed, at which time it will lapse, unless by an ordinary resolution passed at the said AGM, the authority is renewed; or

- (b) the expiration of the period within which the next AGM after the date it is required to be held pursuant to Section 340 (2) of the Act (but must not extend to such extension as may be allowed pursuant to Section 340 (4) of the Act); or
- (c) revoked or varied by resolution passed by the shareholders in a general meeting;

whichever is the earlier.

The Company is principally engaged in investment holding whilst the principal activities of the subsidiaries are underwriting of all classes of general insurance business and underwriting of life insurance and investment-linked business.

It is anticipated that the AMB Group will, in the ordinary course of business, enter into Recurrent Related Party Transactions with classes of Related Parties as set out in section 2.2 of this Circular.

In view of time sensitivity and the frequent nature of such Related Party Transactions, the Directors of the Company are seeking shareholders' approval for the Proposed Shareholders' Mandate which allow the AMB Group, in its ordinary course of business, to enter into categories of Recurrent Related Party Transactions with the Related Parties referred to in section 2.2 of this Circular, provided that such transactions are made on arm's length basis and are on terms not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders.

As at 30 April 2021, AMB Group has collected RM2,957,663 out of RM4,995,230 from the Related Parties.

No late payment charges were imposed on the above outstanding balances as there is no late payment clause stipulated in the agreements entered into by the parties concerned.

The Management of AMB Group will continue monitoring the outstanding status and have undertaken collection efforts to recover the outstanding amount due from the Allianz SE Group:-

- (a) engaging with the relevant personnel in the Related Parties to deal with the individual items that made up to the outstanding balances; and
- (b) the senior management of the Related Parties have been notified.

The Board of Directors of AMB is of the opinion that it does not anticipate the overdue balances are irrecoverable in view that Allianz SE Group is the long term business partner of AMB Group and has sound global credit rating and the outstanding amounts are pending the verification of documents and reconciliation with the Related Parties.

2.4 Review Procedures for Related Party Transactions/Recurrent Related Party Transactions

The AMB Group has established the necessary controls and procedures to ensure that Related Party Transactions/Recurrent Related Party Transactions undertaken are in compliance with the relevant regulatory requirements, among others, the transaction prices and terms are not more favourable to the Related Parties than those generally available to the third parties/public and are not to the detriment of the minority shareholders.

The procedures established by the AMB Group are as follows:-

- (a) A list of Related Parties (based on information furnished to AMB by the Directors, major shareholders and/or persons connected to such Directors or major shareholders) is circulated within the AMB Group and all operating entities within the AMB Group are required to report to the designated department on related party transactions entered into by the AMB Group. At the same time, the Related Parties will be notified that all Related Party Transactions/Recurrent Related Party Transactions are required to be undertaken on arm's length basis and are on transaction prices and terms not more favourable to the Related Parties than those extended to third parties/public and not to the detriment of the minority shareholders.

- (b) A procedural workflow documented the processes to monitor, track and approve Related Party Transactions/Recurrent Related Party Transactions for the Related Party Transactions/Recurrent Related Party Transactions is in place.
- (c) Save for exempted Related Party Transactions by the authorities, all new Related Party Transactions/Recurrent Related Party Transactions will be reviewed by the Shareholders' Mandate Due Diligence Working Group before they are submitted to the Audit Committee, the Chief Executive Officer and the Board of Directors for approval in accordance with the internal authority limits approved by the Board of Directors.
- (d) All existing Recurrent Related Party Transactions will be reviewed annually by the Shareholders' Mandate Due Diligence Working Group and the Audit Committee and their findings will be submitted to the Board of Directors for deliberation.
- (e) Records will be maintained by the Company to capture Recurrent Related Party Transactions which are entered into pursuant to the Shareholders' Mandate.
- (f) Internal Auditors shall periodically review the procedures in respect of Related Party Transactions/Recurrent Related Party Transactions and report their observations to the Audit Committee.
- (g) The Audit Committee shall have overall responsibility for the determination of the review procedures with authority to sub-delegate to individuals or committees within the Company as they deem appropriate. If a member of the Audit Committee has an interest, as the case may be, he will abstain from any deliberation and decision making by the Audit Committee in respect of the said transaction. Such review methods and procedures may be modified, supplemented or replaced from time to time by the Audit Committee.
- (h) The Audit Committee shall annually review the procedures and processes for the Related Party Transactions/Recurrent Related Party Transactions. If during the reviews, the Audit Committee is of the view that the procedures and/or processes are not adhered to or are not sufficient to ensure that the transaction prices and terms are not more favourable to the Related Parties than those extended to third parties/public and/or the transaction is detrimental to the minority shareholders, the Audit Committee will:-
 - (i) First, discuss the relevant guideline or procedure concerned with the Chief Executive Officer to ascertain whether it is the guideline or procedure which is at fault or whether it is the fault of the person(s) delegated with the task of ensuring compliance or otherwise;
 - (ii) Second, if the fault is of the person rather than the guideline or procedure, the Audit Committee will discuss and recommend appropriate action to be taken against the person concerned for the Board of Directors' decision. If the defect lies with the guideline or procedure, then the Audit Committee will modify, supplement or replace as may be required the relevant guideline or procedure and

report such modification, supplement or replacement to the Board of Directors.

- (i) Factors that should be considered when reviewing the Related Party Transactions/Recurrent Related Party Transactions, include but are not limited to the following:-
 - (i) transaction prices or contract rates;
 - (ii) justification on the charging basis;
 - (iii) comply with the requirements under the applicable tax laws including transfer pricing guidelines issued by the relevant authority;
 - (iv) terms and conditions of the contract;
 - (v) efficiency, quality, level of service and/or expertise and/or technical support provided;
 - (vi) benefits arising from the services/products;
 - (vii) satisfactory past year experience and working relationship; and
 - (viii) in respect of the insurance activities, pursuant to reinsurance, underwriting and treaty arrangements entered into between relevant parties.

- (j) Where practicable and/or feasible, at least two other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison for determining price and terms offered by/to the Related Parties are fair and reasonable as compared with those offered by/to unrelated third parties. In the event that quotation or comparative pricing from unrelated third parties cannot be obtained due to no availability of such product/service in the local market, the transaction price will be determined based on those offered by/to other unrelated third parties for the substantially similar type of transaction.

In the event a substantially similar type of transaction is not available, the transaction price shall be determined based on the quality, the level of support, the benefits arising from such product/service and any other factors that may be determined by the AMB Group to ensure that the Related Party Transaction/Recurrent Related Party Transaction is not detrimental to the AMB Group.

2.5 Threshold for Recurrent Related Party Transactions

All Recurrent Related Party Transactions are subject to the approval of the appropriate levels of authority as determined by the Board of Directors of AMB from time to time, subject to the provisions of the Listing Requirements, the Act, and the guidelines issued by Bank Negara Malaysia.

2.6 Deviation

There is no deviation where the actual value transacted of each Recurrent Related Party Transaction, from the date on which the existing mandate was obtained up to 30 April 2021 being the latest practicable date before the printing of this Circular, exceeds the estimated value of each Recurrent Related Party Transaction as disclosed in the preceding year's circular to shareholders by 10% or more.

2.7 Rationale for the Proposed Shareholders' Mandate and Benefit to the AMB Group

The Proposed Shareholders' Mandate is intended to facilitate transactions in the normal course of business of the AMB Group which are transacted from time to time with the Related Parties, provided that they are carried out at arm's length and on terms not more favourable to the Related Parties than those generally available to the public and not to the detriment of the minority shareholders of the Company.

Investment holding and insurance underwriting are the principal businesses of the AMB Group. The Related Parties listed in section 2.2 of this Circular are also involved substantially, if not principally, in the insurance and reinsurance businesses as well as in activities which will complement the business of the AMB Group. It is anticipated that the Recurrent Related Party Transactions will occur on a frequent and recurrent basis in view of the complementary nature of the activities of the AMB Group and the Related Parties.

The Proposed Shareholders' Mandate will eliminate the need to make announcements to Bursa Securities or to convene separate general meetings or from time to time to seek shareholders' approval as and when potential Recurrent Related Party Transactions with the Related Parties arise, thereby reducing substantially the administrative time and expenses in convening general meetings, without compromising the corporate objectives or adversely affecting the business opportunities available to the AMB Group.

Given the complementary nature of the activities of the AMB Group and the activities of the Related Parties in section 2.2 of this Circular, it is in the interest of the AMB Group to transact with such Related Parties (in addition to their transactions with third parties in the ordinary course of business) so that the AMB Group can enjoy synergistic benefits. In addition, the AMB Group will also be able to enjoy the operational and business supports arising from the Recurrent Related Party Transactions.

2.8 Audit Committee Statement

The Audit Committee of the Company has seen and reviewed the procedures mentioned in section 2.4 of this Circular and is of the view that the said procedures are sufficient to ensure that the Recurrent Related Party Transactions are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders of the Company.

The Audit Committee of the Company is also of the view that the AMB Group has in place adequate procedures and processes to monitor, track and identify Recurrent Related Party Transactions in a timely and orderly manner.

FURTHER INFORMATION**1. DIRECTORS' RESPONSIBILITY STATEMENT**

This Circular has been seen and approved by the Board of Directors of AMB who collectively and individually accept full responsibility for the accuracy of the information given herein and confirm, having made all reasonable enquiries, that to the best of their knowledge and belief, there are no other facts, the omission of which would make any statement in this Circular misleading.

2. MATERIAL CONTRACTS

AMB Group has not entered into any material contracts (not being contracts entered into in the ordinary course of business) during the two (2) years up till 30 April 2021, being the latest practicable date before the printing of this Circular.

3. MATERIAL LITIGATION

Save as disclosed below, as at 30 April 2021, being the latest practicable date before the printing of this Circular, AMB Group is not engaged in any material litigation, claim or arbitration, either as plaintiff or defendant, and Directors have no knowledge of any proceedings, pending or threatened against AMB Group or of any facts likely to give rise to any proceeding, which may materially and adversely affect the financial position or business of AMB Group:-

In the Matter between AGIC and Virginia Surety Company Labuan Branch ("VSC")

VSC had provided reinsurance support to Bright Mission Berhad* (when it was known as Commerce Assurance Berhad ("CAB")) previously in respect of CAB's Extended Warranty Programme ("EWP").

AGIC took over the general insurance business of CAB on 1 January 2009 and this included the reinsurance business relating to the EWP.

The reinsurance transactions were initially on a facultative basis. However, as the business volume increased, the facultative arrangements became too expensive to administer. AGIC and VSC (collectively the "Parties") therefore negotiated and entered into a treaty reinsurance agreement upon terms, inter alia, that the reinsurance coverage was to be continuous subject to termination as provided for in the reinsurance agreement.

A dispute arose between the Parties on the continuing subsistence of the reinsurance agreement from 1 October 2011 onwards. AGIC's legal position is that the reinsurance continued to remain in force from 1 October 2011 and determined only on 30 September 2013. This is disputed by VSC who claim that the treaty reinsurance lapsed on 30 September 2011.

On 11 December 2013, AGIC commenced arbitration proceedings against VSC seeking, inter alia:-

- (i) A declaration that the reinsurance subsisted until 30 September 2013;

- (ii) A declaration that VSC will pay and/or indemnify AGIC for its claims and losses arising from the reinsurance for the period from 1 October 2011 to 30 September 2013; and
- (iii) Damages to be assessed including for loss of profits and breach of contract.

The Closing Submissions and Reply Submissions were filed on 30 August 2017 and 27 September 2017 respectively and the Oral Submissions took place on 12 October 2017 and 13 October 2017. Both Parties then filed further written submissions bringing the arbitration proceedings to an end.

An Arbitration Award dated 8 February 2018 was received on 20 February 2018. The award, made by 2 arbitrators of the Panel of 3 arbitrators, was in favour of VSC ("Award") whilst the Dissenting Arbitrator found in favour of AGIC.

The Award ordered AGIC to pay the following:-

- (i) RM30,593.64 as reimbursement of payment in respect of the Kuala Lumpur Regional Centre for Arbitration's administrative expenses;
- (ii) RM425,324.32 as reimbursement of payment in respect of fees and expenses of the arbitral tribunal;
- (iii) RM668,160.69 for costs and expenses incurred by VSC; and
- (iv) USD10,969.31 as reimbursement for costs incurred in respect of VSC's ex-employee.

As AGIC's solicitors were of the view that there were reasonable grounds to seek a review of the majority decision, an Originating Summons was filed in the Kuala Lumpur High Court on 29 March 2018 to set aside the Award under section 37(2)(b)(ii) of the Arbitration Act 2005 ("Arbitration Act") and for a Reference of Questions of law under section 42 of the Arbitration Act. The matter was first heard on 18 February 2019 and hearing continued on 13 March 2019 and concluded on 18 April 2019. On 28 June 2019, the Court declined AGIC's application to set aside the Award ("Decision"). Based on AGIC's solicitors' advice, a Notice of Appeal against the Decision was filed on 15 July 2019 at the Court of Appeal ("AGIC's Appeal"). At the first case management on 4 September 2019, the Court of Appeal fixed the next case management for 9 October 2019.

In a separate action, VSC's solicitors filed an Originating Summons dated 11 September 2019 ("VSC's OS") to recognise and enforce the Award against AGIC requiring AGIC to pay VSC all the costs ordered by the Award. AGIC's solicitors then filed a stay application on VSC's OS. On 25 October 2019, as VSC's solicitors had no objections to AGIC's stay application, a further case management date was fixed for 7 November 2019 for the stay order to be formally recorded before a Judge. On 7 November 2019, the Judge allowed AGIC's stay application and ordered VSC's enforcement proceedings be stayed pending the final determination of the appeal at the Court of Appeal. As the Judge was of the view that VSC'S OS should be withdrawn and filed afresh (should VSC succeed in dismissing AGIC's Appeal), a further case management was fixed for 9 December 2019 in order for VSC's solicitors to obtain VSC's instructions.

Meanwhile, AGIC's Appeal came up for case management on 20 November 2019 when a new case management date was set for 13 January 2020.

On VSC's OS, at the final case management on 9 December 2019, as VSC's solicitors confirmed that they had instructions to withdraw the matter, the Judge ordered that VSC's OS be struck out with liberty to file afresh.

At the case management for AGIC's Appeal on 13 January 2020, the Court of Appeal fixed a further case management for 19 February 2020 as AGIC's solicitors had yet to receive the High Court's substantive Grounds of Decision ("Grounds"). On 17 February 2020, the Court of Appeal wrote to the Parties' solicitors to reschedule the earlier fixed case management date to 26 February 2020. On this date, the Court of Appeal was informed that AGIC's solicitors had still not received the Grounds so another case management was fixed for 8 April 2020. Just before the effective date of the Movement Control Order, the High Court notified that the Grounds were ready for collection but since AGIC's solicitors were unable to collect the Grounds, at the e-review of the matter on 8 April 2020, a new date for case management was fixed for 15 May 2020.

On 15 May 2020, AGIC's solicitors informed the Court of Appeal that the Grounds had been collected and the Court directed for the Memorandum of Appeal and Supplementary Record of Appeal to be filed before the next case management fixed for 9 July 2020. On 9 July 2020, the Court of Appeal fixed a further case management date on 19 August 2020 as the Notes of Proceedings were still pending. At the case management on 19 August 2020, the Court of Appeal fixed AGIC's Appeal for Hearing on 2 February 2021 and a further Case Management on 26 January 2021 for the Court to monitor compliance with all appeal directions. On 26 January 2021, the Court of Appeal was updated that all appeal directions had been complied with and the Court then directed that the Hearing on 2 February 2021 be conducted virtually via Zoom. However, on 2 February 2021, the Hearing of AGIC's Appeal was adjourned to a date to be fixed later as several other cases were also fixed for hearing that day. The next case management has now been fixed for 19 August 2021 whilst the Hearing is fixed for 3 September 2021.

* Bright Mission Berhad was voluntarily wound up in 2017.
