#### Part A: Explanatory notes to the condensed financial statements

#### 1. Basis of preparation

The condensed interim financial statements of the Company have been prepared in accordance with the requirements of Malaysian Financial Reporting Standards ("MFRS") 134, *Interim Financial Reporting* and International Accounting Standards ("IAS") 34, *Interim Financial Reporting*. They do not include all of the information required for full annual financial statements, and should be read in conjunction with the Company's annual financial statements for the year ended 31 December 2021.

### 2. Changes in accounting policies

The accounting policies and presentation adopted by the Company for the Report are consistent with those adopted in the Company's audited financial statements for the financial year ended 31 December 201, except for the adoption of the following:

#### MFRSs, Interpretations and amendments effective for annual periods beginning on or after 1 January 2022

Amendments to MFRS 16, Leases - Covid-19 - Related Rent Concessions beyond 30 June 2021

Amendments to MFRS 3, Business Combinations – Reference to the Conceptual Framework

Amendments to MFRS 116, Property, Plant and Equipment – Proceeds before Intended Use

Amendments to MFRS 137, Provisions, Contingent Liabilities and Contingent Assets – *Onerous Contracts - Cost of Fulfilling a Contract*Annual Improvements to MFRS Standards 2018 - 2020

- Amendment to MFRS 1 First-time Adoption of Malaysian Financial Reporting Standards
- Amendment to MFRS 9 Financial Instruments
- Amendment to MFRS 141 Agriculture

#### MFRS 9, Financial Instruments

MFRS 9 replaces the guidance in MFRS 139, Financial Instruments: Recognition and Measurement on the classification and measurement of financial assets and financial liabilities and on hedge accounting, effective for annual periods beginning on or after 1 January 2018. The standard eliminates the existing MFRS 139 categories of held to maturity, loans and receivables and available for sale

The Company has applied the temporary exemption under Amendments to MFRS 4 - Applying MFRS 9, Financial Instruments with MFRS 4, Insurance Contracts which enables eligible entities to defer the implementation date of MFRS 9 to annual periods beginning before 1 January 2023 at the latest. Hence, the Company has not adopted MFRS 9 for the financial year beginning on or after 1 January 2018.

### Amendments to MFRS 4 - Applying MFRS 9 - Financial Instruments with MFRS 4 - Insurance Contracts

The amendments allow entities to avoid temporary volatility in profit or loss that might result from adopting MFRS 9, Financial Instruments before the forthcoming new insurance contracts standard.

The amendments provide 2 different approaches for the Company:

- (i) temporary exemption from MFRS 9 for entities that meet specific requirements; and
- (ii) the overlay approach. Both approaches are optional.

# 2. Changes in accounting policies (continued)

# Amendments to MFRS 4 - Applying MFRS 9 - Financial Instruments with MFRS 4 - Insurance Contracts (continued)

The temporary exemption enables eligible entities to defer the implementation date of MFRS 9 to annual periods beginning before 1 January 2023 at the latest. An entity may apply the temporary exemption from MFRS 9 if its activities are predominantly connected with insurance whilst the overlay approach allows an entity to adjust profit or loss for eligible financial assets by removing any accounting volatility to other comprehensive income that may arise from applying MFRS 9.

The Company's business activity is predominantly insurance as the liabilities connected with the Company's insurance businesses made up of more than 90% of the Company's total liabilities. Hence, the Company qualifies for the temporary exemption from applying MFRS 9 and will defer and adopt MFRS 9 together with MFRS 17, Insurance Contracts for the financial year beginning on or after 1 January 2023.

The following additional disclosures, required by MFRS 9 for company qualified and elected the temporary exemption from applying MFRS 9, present the Company's financial assets by their contractual cash flows characteristics, which indicate if they are solely payments of principal and interest on the principal outstanding ("SPPI"):

#### 12. Changes in contingent liabilities

On 10 August 2016, the Malaysia Competition Commission ("MyCC") commenced an investigation into an alleged infringement by Persatuan Insurans Am Malaysia ("PIAM") and all 22 general insurers including the Company of Section 4(2)(a) of the Competition Act 2010 ("CA"). The alleged infringement is in relation to the agreement reached between PIAM and the Federation Of Automobile Workshop Owners' Association Of Malaysia ("FAWOAM") in relation to trade discount rates for parts for certain vehicle makes and labour hourly rates for PIAM Approved Repairers Scheme workshops. These rates were applied by the Company pursuant to a members' circular issued by PIAM, which arose from Bank Negara Malaysia ("BNM")'s directive to PIAM to engage FAWOAM to resolve the issues of parts trade discounts and labour hourly rate.

On 22 February 2017, the Company received MyCC's notice of proposed decision ("Proposed Decision") that the Company and all the other 21 general insurers who are PIAM members had infringed one of the prohibitions under Part II of the CA. The Proposed Decision includes a proposed financial penalty of RM213,454,814 on all the 22 general insurers. The Company, as one of the members of PIAM, had a share of RM27,480,883 of the proposed penalty.

Following the parties' submission of their respective written representations and the Hearing of the Oral Representations, on 25 September 2020, the Company's solicitors received MyCC's Decision that parties had infringed the prohibition under Section 4 of the CA and which imposes on each of the 22 general insurers financial penalties for the said infringement.

<sup>\*</sup>Related companies are companies within the Allianz SE Group.

#### 12. Changes in contingent liabilities

In view of the impact of the Covid-19 pandemic, MyCC had granted a reduction of 25% of the financial penalties imposed on the 22 general insurers and a moratorium period of up to 6 months for the payment of the financial penalties to be made by 6 equal monthly instalments. The financial penalty imposed on the Company, taking into account the 25% reduction amounts to RM18,549,595.97.

# Appeal filed with the Competition Appeal Tribunal ("CAT")

On 13 October 2020, the Company filed a Notice of Appeal against the Decision ("Appeal") with the Competition Appeal Tribunal ("CAT") and a formal Notice of Application was filed in relation to the stay of the Decision on 12 November 2020 ("Stay Application").

In response to the Company's Notice of Appeal, MyCC filed a Statement in Reply ("SIR") and the Company then filed its Reply to the SIR on 11 December 2020.

Upon conclusion of the hearing of the respective parties' submissions, on 23 March 2021 CAT allowed the Stay Application, pending the disposal of the Appeal.

As for the appeal proceedings before CAT, MyCC as well as several other insurers have presented their oral submissions on hearing dates in March and April 2022. The Company presented its submissions in reply on 21 April 2022 and 22 April 2022 whereupon all parties' submissions concluded. CAT had then indicated that its judgement would likely be delivered at the end of June 2022. Despite CAT's earlier indication that its judgement may be delivered at the end of June 2022, to date its judgement has yet to be delivered.

#### Application for leave for Judicial Review filed at the High Court of Malaya

Separately, on 26 April 2021 the High Court of Malaya granted the Company leave to apply for Judicial Review of MyCC's Decision and an interim stay of the Decision until the hearing of any objection or application by MyCC to set it aside. The Company filed its Notice of Hearing of Application for Judicial Review at the High Court on 9 May 2021 and MyCC then filed an an application against the orders granting the Company leave to apply for judicial review and interim stay ("MyCC's Setting Aside Application").

On conclusion of the parties' submissions, the High Court decided on 20 October 2021 to allow MyCC's Setting Aside Application. On its solicitors' recommendation, the Company filed a Notice of Appeal against the said decision on 18 November 2021. The matter is now fixed for further case management on 8 September 2022.

The management of the Company believes that the criteria to disclose the above as a contingent liability are met. Saved as disclosed above, the Company does not have any other contingent assets and liabilities since the last annual balance sheet date.

# 13. Debt and equity securities

There were no issuances of shares, shares buy-backs and repayment of debt and equity securities by the Company during the half-year under review.

# 17. Changes in material litigation

Virginia Surety Company Labuan Branch ("VSC") had provided reinsurance support to Bright Mission Berhad (when it was known as Commerce Assurance Berhad ("CAB")) previously in respect of CAB's Extended Warranty Programme ("EWP").

The Company took over the general insurance business of CAB on 1 January 2009 and this included the reinsurance business relating to the EWP.

The reinsurance transactions were initially on a facultative basis. However, as the business volume increased, the facultative arrangements became too expensive to administer. The Company and VSC (collectively the "Parties") therefore negotiated and entered into a treaty reinsurance agreement upon terms, inter alia, that the reinsurance coverage was to be continuous subject to termination as provided for in the reinsurance agreement.

### 17. Changes in material litigation (continued)

A dispute arose between the Parties on the continuing subsistence of the reinsurance agreement from 1 October 2011 onwards. The Company's legal position was that the reinsurance continued to remain in force from 1 October 2011 and determined only on 30 September 2013. This was disputed by VSC who claimed that the treaty reinsurance lapsed on 30 September 2011.

On 11 December 2013, the Company commenced arbitration proceedings against VSC seeking, inter alia:

- (a) A declaration that the reinsurance subsisted until 30 September 2013;
- (b) A declaration that VSC will pay and/or indemnify the Company for its claims and losses arising from the reinsurance for the period from 1 October 2011 to 30 September 2013; and
- (c) Damages to be assessed including for loss of profits and breach of contract.

Upon the conclusion of the arbitration proceedings, an Arbitration Award dated 8 February 2018 was received on 20 February 2018. The award, made by 2 arbitrators of the Panel of 3 arbitrators, was in favour of VSC ("Award") whilst the Dissenting Arbitrator found in favour of the Company.

The Award ordered the Company to pay the following:

- (a) RM30,593.64 as reimbursement of payment in respect of the Kuala Lumpur Regional Centre for Arbitration's administrative expenses;
- (b) RM425,324.32 as reimbursement of payment in respect of fees and expenses of the arbitral tribunal;
- (c) RM668,160, 69 for costs and expenses incurred by VSC; and
- (d) USD10,969.31 as reimbursement for costs incurred in respect of VSC's ex-employee.

As the Company's solicitors were of the view that there were reasonable grounds to seek a review of the majority decision, an Originating Summons was filed in the Kuala Lumpur High Court on 29 March 2018 to set aside the Award under section 37(2)(b)(ii) of the Arbitration Act 2005 ("Arbitration Act") and for a Reference of Questions of law under section 42 of the Arbitration Act. On 28 June 2019, the Court declined the Company's application to set aside the Award ("Decision"). Based on the Company solicitors' advice, a Notice of Appeal against the Decision was filed on 15 July 2019 at the Court of Appeal ("AGIC's Appeal").

On 3 September 2021, the Court of Appeal heard and dismissed AGIC's Appeal. On its solicitors' recommendation, the Company filed a leave application to appeal to the Federal Court on 1 October 2021 which was heard and dismissed on 5 April 2022 thereby bringing the proceedings to an end.
