How does this work?

Protected in times of crisis. Rewarded for the long run!

Meet Daniel, age 35, a father of two and the primary breadwinner for his family. Daniel understands that during a critical illness, the financial burden of hospital bills and loss of income during recovery while daily expenses and financial commitments continue, can place tremendous pressure on the family.

That's why Daniel chooses Allianz AssuredLink, a life protection plan with these riders:

HealthCover Plus - a critical illness rider with Insured Amount of RM400,000; and

HealthAssured - a comprehensive medical rider for added medical coverage

With this combination, Daniel enjoys the following campaign benefits:

Complimentary Catch All Booster Coverage of 35% of the HealthCover Plus's insured amount, capped at RM100,000 per life.

Complimentary Loyalty Bonus of 20% of the HealthCover Plus's insured amount at the end of Policy Year 20, capped at RM50,000 per life.
