

Dear Editor,
For immediate release:

Ride away in a brand new bike with Allianz General 111 Motorcycle Campaign

- **Monthly draw from 1 Oct – 31 Dec**
- **110 monthly prize Honda Wave Alpha and 1 grand prize Honda CBR250RR worth RM25,999 to be won**

Kuala Lumpur, 30 September 2021 – Buy insurance and ride away in a brand new Honda Wave Alpha with the Allianz General Insurance Company (Malaysia) Berhad’s (Allianz General) 111 Motorcycle Campaign.

Riders who purchase an [Allianz Motorcycle Plus](#) (Comprehensive or Third-Party) or Allianz Motorcycle (Comprehensive or Third Party) policy between 1 October and 31 December 2021 will automatically be in the running to win a Honda Wave Alpha or the grand prize – a Honda CBR250RR worth RM25,999, at the end of the Campaign*.

The 111 Motorcycle Campaign will feature three draws, with each draw held at the end of each month - October (20 winners), November (40 winners), and December (50 winners plus one grand prize winner).

Besides that, each purchase of Allianz Motorcycle Plus or Allianz Motorcycle Policy (Comprehensive Cover) entitles the customer to three entries, whereas purchase of Allianz Motorcycle Plus or Allianz Motorcycle Policy (Third Party Cover) entitles the customer to one entry.

Customers who do not win during a particular draw will still be eligible for the subsequent draws during the Campaign.

“We know it has been a tough year for everyone, and with everything that has been going on, we wanted to do something nice for the riders out there,” said Sazali Abdul Rahman, Deputy Chief Sales Officer of Allianz General.

“We have seen a lot more motorcycles on our roads since the pandemic, and with riders being so grossly underserved, our focus was on doing things to change that. We enhanced our Allianz Motorcycle Plus to offer improved protection and even introduced free roadside assistance for motorcycles. Having the 111 Motorcycle Campaign is just a nice way to bring everything together and hopefully bring a smile to our customer’s faces,” added Sazali.
