Did you know how much car repairs can cost in Malaysia?

Owning a car comes with the freedom and flexibility to go anywhere, anytime, but it can be easy to forget that vehicles can break down too. From engine trouble to cooling system issues, transmission replacements, and brake problems, the cost of repairing essential parts can quickly add up.

Here's an estimated breakdown of common repair costs in Malaysia:

**Engine¹**

RM 800 – RM 5,000

**Transmission¹**

RM 3,000 – RM 7,000

**Brake Line¹**

RM 500 – RM 700

**Aircond Compressor¹**

RM 1,000 – RM 2,000

**Cooling System²**

RM 100 – RM 500

**Fuel Pump³**

RM 100 – RM 800

**Wiring Repair
(Electrical System)⁴**

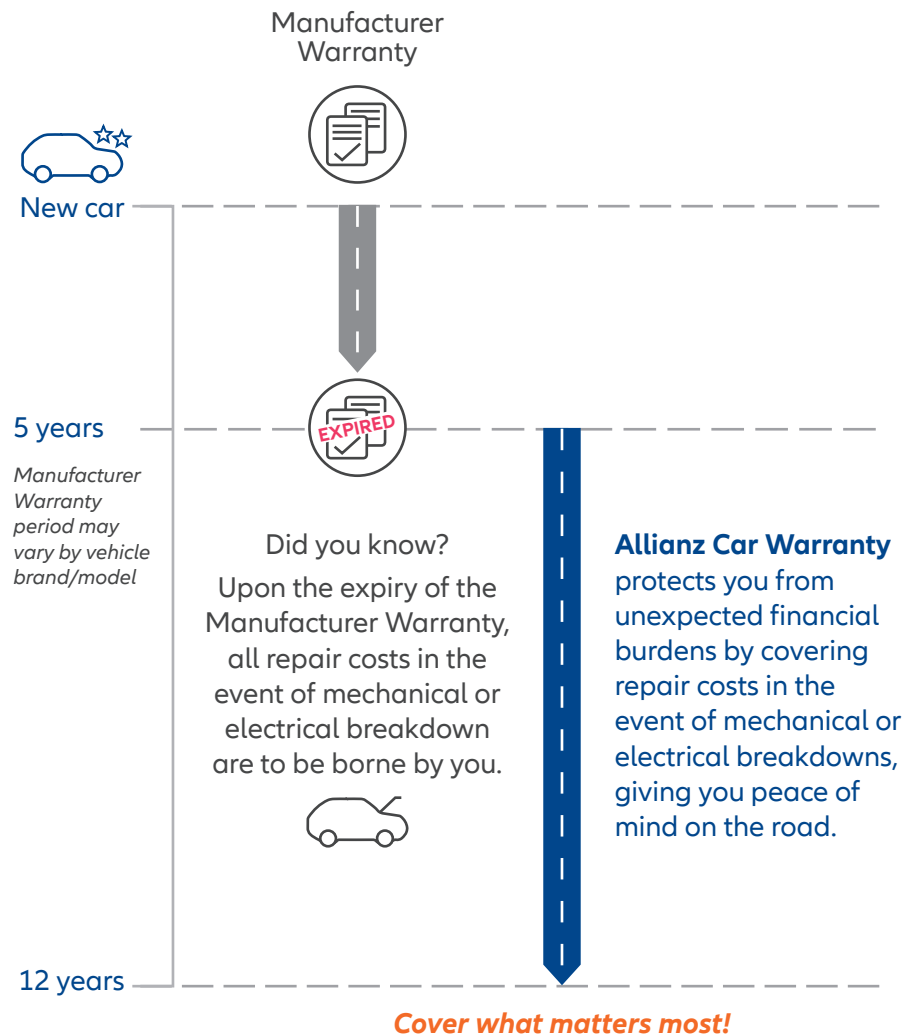

RM 500 – RM 1,500

Note: The actual cost of vehicle repair may vary based on the type of damage and the car's brand and model.

How to make a claim

Before calling us, please ensure that the criteria below are met so that we can best help you:

1. Our policy condition includes a **30-day No Claim Period**, please ensure that it has been 30 days from policy inception and at least 500 KM has been recorded on the odometer.
2. Our policy condition requires **Service** covering at least the engine and gearbox in the 12 months prior to policy inception, please ensure that you have proof of this.

Eligibility criteria

1. Your Motor policy for the covered vehicle must be with us;
2. The Manufacturer Warranty for your vehicle must have expired at the date of purchase;
3. Your vehicle must not be used for commercial purposes;
4. Your vehicle age must not be greater than 12 years;
5. Your odometer reading must not be more than 200,000 KM;
6. Your vehicle's cubic capacity must not be more than 3,000 CC; and
7. All covered components must be free from defect prior to the inception of coverage under this warranty.

Service criteria

1. You must have serviced your vehicle at least once a year and in accordance with the servicing requirements, where proof of service may need to be provided upon claim; and
2. Any service and maintenance appointments during the warranty period must be carried out at authorised service centres or a franchise workshop.

Key exclusions

1. Claims or losses incurred during the No Claim Period.
2. Indirect costs incurred e.g. towing or recovery of the vehicle, rental costs for a replacement car.
3. Claims or losses where there have been any modifications to the original design not approved by the manufacturer.
4. Claims or losses where the service requirements have not been met.
5. Claims or losses where there is continued use of the vehicle after a fault with a covered component has become evident.

6. Claims or losses covered under the Manufacturer Warranty.
7. Claims or losses relating to manufacturer recalls.
8. Claims or losses where the component failure was evident prior to the expiry of the Manufacturer Warranty.
9. Claims or losses involving or due to external impact e.g. fire, explosion, lightning, earthquake, flooding etc.

Note: This list is non-exhaustive. You should refer to the policy wording/certificate for the full list of terms and conditions.

This brochure is valid from 19 June 2025.

This brochure is not a Contract of Insurance. The description of the available cover is only a brief summary for quick and easy reference. The precise terms, benefits, conditions and exclusions that apply are stated in the Policy.
